Nestled in the pine-scented forests of Sorgun, near the ancient town of Side in Antalya, BIJAL is more than a boutique luxury resort — it's a state of mind.

Inspired by Maldivian serenity, the barefoot ease, the calm of water and the elegance of simplicity — BIJAL pairs this tranquil spirit with the warmth and attentiveness of Turkish hospitality. This intimate haven of just 19 private villas blends understated luxury with effortless privacy. Ranging from bright, airy one-bedroom villas—each with its own open-air bathtub—to expansive four-bedroom villas, every villa features a heated private pool and a spacious garden.

At the heart of the resort, the Club House brings together key comforts: a heated Lake Pool, Spa, Gym, Pilates Studio, Boutique, Bar, Concierge Services and a refined à la carte restaurant serving breakfast and dinner in a serene indoor-outdoor setting. Down by the sea, the Beach House invites guests to unwind with a pool equipped with an underwater music system, sunbeds, sea views and the Coral Bar's handcrafted cocktails—alongside an à la carte restaurant serving lunch and dinner, just steps away from the open-air Art House.

Personalized butler service is at the core of the BIJAL experience, offered 24/7 to meet every need, spoken or not. Meanwhile, younger guests discover their own rhythm in the thoughtfully designed Kids House with shaded play areas and a shallow, sun-protected pool.

Wellness flows through every detail, from the spa and traditional hammam with its central heated marble platform, to tennis, padel and pickleball courts, to slow bike rides through the trees. Just beyond the resort, the ruins of ancient city Side and the Temple of Apollo invite unhurried exploration—reachable by a scenic walk along the shoreline or via guided tour and transfer upon request.

BIJAL doesn't ask you to follow a plan.
It listens — and adapts. That's the beauty of this place.
However you wish to stay — we're here to make space for it.

Because here, we see PLAY everywhere — in slow mornings, spontaneous swims and the laughter that echoes from private pools to the sea.

A freedom to try, to laugh mid-mistake,
to reconnect with the world, with others, with yourself.
Play is always available — if you know where to look.

ABOUT BIJAL

PET FRIENDLY

BIJAL is more than happy to
welcome your four-legged friends!
Here at BIJAL, we wholeheartedly understand the deep bond you share with your beloved cats and dogs, and we are committed to ensuring that you can enjoy the splendor of our resort without any separation from them.
Before the commencement of the stay, guests are required to provide the necessary documentation for their pets, including a health certificate containing up-to-date veterinary records and vaccination papers. These documents must be carried by the guests and be readily available for presentation to the hotel management upon request.
Failure to provide the relevant documentation will result in the hotel being unable to accommodate the pets.
Each villa may accommodate no more than two pets, with a maximum combined weight of 30kg. An additional fee of 70 € per pet per day will be applicable during your exciting stay with us.
No fees are applicable for guide dogs providing essential medical support and accompanying guests with visual or hearing impairments.
While your tranquil and well-behaved pets may be left unattended in the room, they must be either leashed or securely held in a crate for our dedicated housekeeping team to attend to the meticulous care of your villa.

The furry companions are allowed to stay in your villa and explore the beautiful villa garden area, however, out of consideration and comfort of all our guests, your dear pets will not be allowed to be in the common areas around BIJAL. Assistance dogs (providing medical or emotional support, accompanying visually and hearing-impaired guests) are excluded from this scope. Furthermore, in the spirit of maintaining an ambiance of tranquility, we kindly request that if your pet's presence in the villa garden potentially causes any disturbance or noise that could inconvenience neighboring villas, they be kept inside the villa.
The pet owner is fully liable for any injuries or physical damage caused by their pets to the hotel premises. By bringing pets, the guest agrees to indemnify and hold harmless the hotel, the property owner, and affiliated entities from any and all personal loss, damage, and liability arising from their pets. If guests with pets fail to adhere to the aforementioned regulations or if their pets exhibit disruptive behavior that disturbs other guests, the hotel management reserves the right to request the departure of the guests with pets from the premises in order to maintain a peaceful environment for all guests.
We greatly appreciate your understanding and cooperation in adhering to these guidelines. Our aim is to create an exceptional experience for both you and your pets, while also providing a serene and welcoming ambiance for all our valued guests to enjoy.

* Pets must be kept inside villa areas at all times. Please contact resort for further details.
